FRIDAY, 20th MARCH 2026: ONCOPLASTIC CME

VENUE: AMRITESHWARI HALL, TOWER 2, 5th FLOOR

SATURDAY, 21st MARCH 2026: LIVE SURGICAL WORKSHOP

VENUE: AMRITA HOSPITAL, KOCHI, TOWER 2, 5th FLOOR, A BLOCK

Organising team

Breast Clinic and Dept. of General Surgery

Overview

- Breast Clinic at Amrita Hospital Kochi completes 5 years of dedicated service towards breast care for women and men across the country. Since its inception, the unit has steadily grown to become a specialised oncoplastic surgical unit offering a wide range of surgical techniques of breast conservation and reconstruction, striving to confer the best possible quality of life to its patients.
- The CME focuses on delivering high quality lectures on various oncoplastic techniques by including real case scenarios with clinical photos and videos compiled by expert surgeons. The aim of this program is to exchange skills and expertise with colleagues who are emerging breast cancer surgeons as well as senior surgeons who are looking to build their oncoplastic skill set.
- The surgical workshop will involve live demonstration of two oncoplastic techniques in the operating room to a small group of delegates who will observe the surgeries with ample interaction with the trainers.

Highlights

- CME on Day 1 covers the entire scope of breast oncoplasty & reconstruction.
- Demonstration of oncoplastic techniques which can be mastered by young breast surgeons.
- Video demonstration of advanced oncoplastic techniques for senior surgeons who wish to broaden their oncoplastic skills.
- Live surgery demonstration in the theatre on Day 2.
- Limited seats (10 nos) available only for faculty on a first come first serve basis for workshop on Day 2.
