Proudly Presents

BUILD SUMMIT 3.0

Bridging Unmet Needs in ILD

**14th-15th
NOV. 2026**

**9:00 am
onwards**

Vivanta by Taj,
Marine Drive,
Ernakulam, Kochi

COURSE DIRECTOR

PROF DR ASMITA MEHTA

MBBS, MD, MRCP(UK)

Founder, Build Initiative,
Professor & Head
Department of Respiratory Medicine
Amrita Hospital, Kochi, India

ORGANISING TEAM

DR VISHNU VAZHOOR

Assistant Professor

DR MERIN THOMAS

ILD Fellow

DR VISHNU RAJAN NAIR

Research Assistant

MRS KARTHIKA P MOHAN

Research Assistant

"Where Precision Meets Practice in ILD"

INTERNATIONAL FACULTY HIGHLIGHTS

PROF MARTIN KOLB

MD, PhD

Professor of Medicine,
McMaster University, Canada
Director, Division of Respiriology &
Research Director, Firestone Institute
for Respiratory Health
Section Editor – Interstitial Lung Disease,
European Respiratory Journal (ERJ)

One of the world's leading ILD physician in pulmonary fibrosis and progressive fibrosing ILDs, Prof. Martin Kolb is internationally recognised for his landmark contributions to translational ILD research, fibrosis biology, and global clinical trials.

PROF DEJI ADEGUNSOYE

MD, MSc, PhD, FACP, FCCP

Professor of Medicine,
University of Chicago, USA
Scientific Director,
UCMC Interstitial
Lung Disease Program

An internationally acclaimed ILD physician-scientist, Prof. Deji Adegunsoye is widely respected for his pioneering work in pulmonary fibrosis phenotyping, sarcoidosis, precision medicine, and personalised approaches to fibrotic lung disease.

YOUNG INVESTIGATOR & PG OPPORTUNITIES
