

# 25 Years of brilliance in neuroscience

CELEBRATING 25 YEARS  
OF NEUROSCIENCES

**MAY 31, 2025**  
**B BLOCK AUDITORIUM**  
**AMRITA HOSPITAL, KOCHI**

This year marks a milestone for the **Department of Neurosciences** at Amrita Institute of Medical Sciences — 25 years of advancing care, knowledge, and hope.

Since our humble beginning in 1999, we have embraced innovation, pioneered new approaches, and fostered a spirit of inquiry — always guided by compassion and a deep commitment to those we serve.

Each life touched, each discovery made, and each mind nurtured has shaped our journey into what it is today. As we reflect on these years, we are filled with gratitude for the trust, collaboration, and inspiration we have shared with our extended community.

The journey continues, and so does our promise: to heal, to learn, and to lead with heart.

To mark this auspicious milestone of 25 years,  
we are proud to launch

► **BRAIN HEALTH PROGRAMME**

The Nation's First Dedicated Centre for Brain Health and Preventive Neurology

► **NEUROIMMUNOLOGY CENTRE OF EXCELLENCE**

## PROGRAMME HIGHLIGHTS

Neuro Update 2025 by our esteemed alumni faculty

Grand Inauguration Ceremony

Grand Gala of Dance – Humour – Music ('BHAVARASA' : Mind meets heart)

### LUMINARIES WHO WILL GRACE THE OCCASION

SWAMI POORNAMRITANANDA PURI

BHARAT MOHANLAL

C. RADHAKRISHNAN

PROF. M. K. SANU

T. K. RAJEEV KUMAR

SHARRETH

## DAWN OF THE SILVER JUBILEE

### INAUGURATION OF A LEGACY PROGRAMME SCHEDULE

5:00 PM	Pooja
5:05 PM	Prayer
5:10 PM	Welcome address: Retracing the Grace – Dr Anand Kumar
5:20 PM	Lamp lighting
5:30 PM	Benedictory address – Swami Purnamritanandapuri
5:40 PM	Presidential address – Dr Prem Nair
5:50 PM	Words of wisdom – Prof M.K. Sanu
6:00 PM	Reflections from a Literary Luminary – Sri. C. Radhakrishnan
6:10 PM	Book launch
6:15 PM	Address by the guest of honor – Padmabhushan Bharat Mohanlal
6:25 PM	Launch of brain health programme and neuroimmunology centre of excellence
6:30 PM	Felicitation of luminaries
6:40 PM	Vote of thanks – Dr Vinayan K.P.

6:50 pm      ***Bhavarasa – Where Mind Meets Art*** - A cultural programme curated by renowned filmmaker T.K. Rajeev Kumar, Bhavarasa brings together an evening of artistic excellence. The event features a Musical Hour led by celebrated music director Sri Sharreth and his team, a Classical Dance performance by Dr. Soumya Jagadeesan, and a Semi-Classical Dance by Dr. Sruthi Sasikumar.

# AMRITA CENTRE FOR NEUROSCIENCES

## OUR PILLARS OF STRENGTH

- ADVANCED CENTRE FOR EPILEPSY ■ CENTRE FOR NEUROIMMUNOLOGY
- CENTRE FOR STROKE ■ CENTRE FOR NEUROMUSCULAR DISORDERS
- CENTRE FOR MOVEMENT DISORDERS ■ BRAIN HEALTH PROGRAMME
- CENTRE FOR SLEEP & AUTONOMIC DISORDERS
- CENTRE FOR NEUROCOMPUTING

Home to India's Largest Epilepsy Monitoring Unit and the nation's most extensive Stereo EEG Centre.

First in Asia to introduce Robotic Assisted Stereo EEG, setting a new benchmark in precision diagnostics

Completed more than 1000 epilepsy surgeries and more than 300 stereo EEGs

Established the First and only Neuroimmunology Laboratory in India led by a neurologist, with cutting-edge technology, offering the most comprehensive panel of neurological autoantibody tests nationwide

One of Kerala's largest stroke care centres, offering 24/7 neurointerventional and medical expertise for acute stroke treatment.

Well-established subspecialties encompassing Epilepsy, Stroke Medicine, Neuroimmunology, Movement Disorders, Neuromuscular Diseases, Cognitive Neurology, and Preventive Neurology, ensuring focused and expert care.

The nation's first dedicated centre for brain health and preventive neurology and multidisciplinary pelvic dysfunction clinic

Pioneered India's First Robotic Assisted Deep Brain Stimulation for Parkinson's disease, offering advanced treatment options
