## About Amrita

Amrita Institute of Medical Sciences and Research Centre (AIMS), Kochi, is part of Amrita Vishwa Vidyapeetham, a multi-disciplinary, research-intensive, private university. Established in 1998, AIMS is a premier healthcare institution known for its state-of-the-art infrastructure, advanced treatment facilities, and comprehensive medical services. Accredited with an 'A++' grade by NAAC, the institute is committed to excellence in patient care, medical education, and research.

Amrita Vishwa Vidyapeetham, with a vibrant student population of over 24,000 and a strong faculty of 1,700+, offers more than 250 undergraduate, postgraduate, and Ph.D. programs across various disciplines, including engineering, management, and medical sciences. The university has emerged as the 7th ranked university in the National Institutional Ranking Framework (NIRF) 2024. Within the medical domain, the Amrita School of Medicine, Kochi, has been ranked 8th Best in Medicine in the NIRF Rankings 2024, reflecting its dedication to cutting-edge research and high-quality medical education.

## About Metares

Join us for Metares 2025, a prestigious three-day National Research Methodology Conclave focused on advancing research capabilities in healthcare. This event will feature comprehensive sessions on research methodology, biostatistics, and data management. Attendees will benefit from expert-led workshops, insightful lectures, and valuable networking opportunities, fostering collaboration among researchers, academicians, and healthcare professionals. Enhance your research skills and contribute to the future of medical research at this enriching event.

## Who Can Participate ?

This conference is ideal for clinicians, pharmacists, nursing and allied health professionals, statisticians, clinical researchers, and students from above domains

## Call For Abstracts

Metares 2025 invites abstracts from a range of topics for poster presentation as follows:

- Clinical Research
- Pharmacological Research
- Technology For Health
- Basic Research
- Nursing Care
- Genetics & Genomics
- Public Health
- Biostatistics

**METARES** 2025

# Abstract Submission Guidelines

All Papers should be Submitted at : [ioctnworkshops@gmail.com](mailto:ioctnworkshops@gmail.com)

All papers submitted to the conference should describe your original work. A confirmation email will be sent upon successful submission. Authors will be informed about acceptance and presentation format by a certain date.

## Formatting Guidelines

- Title and all author names with complete affiliation
- Word Limit: Typically 250–300 words (excluding title and references), Provide 3–5 relevant keywords.
- Font and Size: Use a standard font (e.g., Times New Roman, size 12).
- Spacing: Single-spaced text is preferred.
- File Format: Submit as a Word document (.doc or .docx) or through an online submission portal.
- All abstracts must be submitted in English.

Last Date For Abstract Submission : January 15 ,2025
